

## Campus Postering Policy

*Student organizations must get flyers or posters approved through the Office of the President (Building 100, Office 112) before posting or distributing them on campus.* Any materials that have not been approved or its designee shall be subject to immediate removal. Clubs that violate campus postering policy are subject to having their charters revoked.

All materials distributed or displayed on campus shall clearly indicate the author, group, or agency responsible for its production and should include date of posting. Materials displayed shall be removed after the passage of 15 days.
